

REGIONAL WORKFORCE STRATEGIES

U of M St. Paul Campus

September 27, 10:30 a.m. to noon

Cargill Building-Microbial and Plant Genomics
1500 Gortner Avenue, Seminar Room 105
Saint Paul, MN 55108

AgriGrowth, along with its partners, invite you to learn about innovative strategies and labor tools to attract, recruit and retain high-quality talent. Participants will have the opportunity to set-up an account on the AgriGrowth Job Exchange and receive a free promo code for doing so.

This workshop will take place prior to the Ag, Food and Business Career Fair at the University of Minnesota. You may attend both the U of M Career Fair and Regional Workforce Strategy Session, but be sure to register separately for each event.

Attendees will:

Receive assistance creating an AgriGrowth Job Exchange employer profile
Learn about existing support strategies and labor tools
Receive insights helpful for integrating the multi-generational workplace
Direct access to:

- o MN State Colleges and Universities agriculture career & employment center
- o AgriGrowth Job Exchange software developer
- o RealTime Talent

WHO SHOULD PARTICIPATE: Business leaders, hiring managers, HR professionals, operations managers, career services & faculty

PROGRAM

- **Welcome & Job Exchange Overview** - AgriGrowth
- **Agricultural Labor Market Overview**, Sandee Joppa, RealTime Talent Executive Director
- **The Multi-Generational Workplace** Mary Kay Delvo, INspiring SIGHT
- **Demonstration of the AgriGrowth Job Exchange**, Dave Kornecki, Program Manager
- **Leverage your Employer Relationship with Educational Systems**, Keith Olander, AgCentric; Brad Schloesser, Southern Center for Agriculture

REGISTER for REGIONAL WORKFORCE STRATEGY SESSION RSVP requested - no charge to attend
